Hello Grace Lutheran faith family!

I usually don't want to talk about Easter until we are at Easter, since it can make the season of Lent and the Three-Day feast seem less relevant. (Note, the Three-Day feast includes Maundy Thursday, Good Friday, and Easter.) However, when talking to you about the life of church together, I can't seem to talk about death without recognizing resurrection.

Did you know that there is a model of the life cycle of a church? Much like an individual person, a church goes through birth, adolescence, adulthood, maturity, and aging. Most models suggest that maturity occurs around the 40-year mark. It is a sweet spot for many people in church life. Ministry is robust and the financials are solid and given generously. The number of people in church is at an all-time high. All the hard work of growth seems to be paying off and the church enjoys the fruits of the labor. The downside, sometimes, is that people forget that without continued creation and rejuvenation, the church is beginning the slide towards aging and possibly death.

I am still really new to Grace, but I've been listening to people talk about the history of Grace Lutheran Church. People remember the years of harvest...probably the late 90s or early 2000s. This is not an unusual story. A lot of Lutheran churches felt the same way in that time period. But, as life informs us, the only things that are certain are taxes and death. And I would add...change.

Some of the changes were disruptive. Here's where I don't have all the information, but I can hear there was loss when I listen to people's voices. Congregants left. Disruption in leadership. I don't need to know the details to see that the changes were very hard. And truly – this is at the 40-50 year mark for Grace Lutheran and it's not surprising based on the research done on the life-cycle of a church.

As we've seen in neighboring communities, not all churches were able to weather this period of disruption and change. I know that some of our congregants and friends are still mourning the closing of their church. I put all of this together, not to be dreary, but to point to our trajectory today. We have weathered a rough season. The lack of a called pastor could have chipped away at our foundation even more, but we were blessed with an intentional interim and a leadership team who were willing to point towards new life, new imagination, and new creativity. They were willing to do the hard work of listening to the Holy Spirit's guiding into "what is next". We might even call it reformation!

New ministries have sprung forth. A new model of leadership was created by inviting a Faith Community Nurse into our staff team. You called a brand-new pastor into your midst because the energy, enthusiasm, and creativity seemed to match where Grace Lutheran was heading. This is so exciting! This is what Easter can look like. After death, there is Resurrection.

When I say that it is a great time to be Inspired by Grace, I'm not just trying to create a catchy slogan. I mean it. Great things are happening here! We have weathered a church cycle, and now we get to begin again, but with wisdom, deeper faith and trust in God, and a solid foundation in God's truth. There are new outreaches, new groups within the church, new task forces, new focus on spiritual growth and more! There are also wonderful traditions, great wisdom, and tried and true practices of faith.

(continued on next page)

(continued from previous page)

When I look ahead, I can imagine Grace growing in its spiritual health and wellness and leveraging its strengths to lead the church forward. And not just our church, but The Church...God's church.

I hope you are excited to be a part of it too. **I have one ask, and it is a big one.** Pray for us and the church. As I write this, the last Gospel reading we had was Mark 1:9-15, which is regarding the temptation of Jesus in the wilderness. When the Spirit moves in powerful ways, the Adversary is there to try and thwart it. Stay alert to gossip and complaints and bring it to the light. Notice triangulation and redirect it to make sure that people are having direct and honest conversations. Pray for protection from the evil in this world and seek God's grace, mercy, justice, and forgiveness.

Remember, your baptism invites you into new life through Christ. I want every single one of you to join in on this road to abundant life through Jesus Christ for your sake, for mine, and for God's kingdom in heaven and on earth.

In Christ's love,

Pastor Sarah Zender

Safety and Security Task Force Team

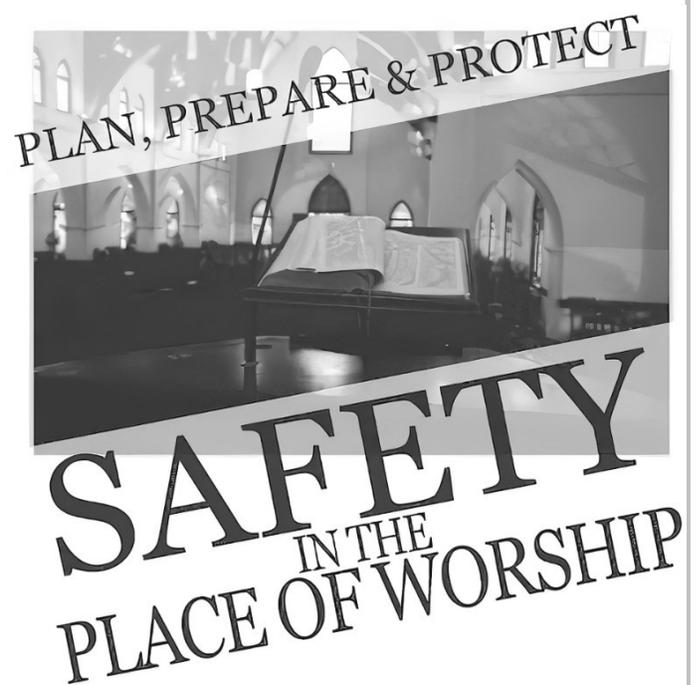

Church is a public place where all are welcome and we hope that Grace Lutheran continues to always be a safe place for people to gather and worship. It is a best practice to have robust and thoughtful safety and security policies in place to create a safe place for us to do the work of being church together.

Some issues to consider:

- Emergency response team
- CPR and AED training
- Well stocked first aid supplies
- Video monitoring at entrances
- Background checks

If you have a background in policy, law enforcement or security, or have a heart to create living policies for the well-being of all at Grace, we'd love to have you be on a "task-force" team. The hope is to spend 2-3 months creating solid policy with a plan to review annually.

Please talk to Pastor Sarah or anyone on Exec if you are interested. Meetings to start in March. Time TBD.

Updates from the Grace Lutheran Executive Ministry

Worship and Fellowship TOGETHER during Holy Week!

Holy Week is a highlight of the year for all churches. This year at Grace, the Executive Ministry voted to offer a worship schedule that allows all of our church family to worship TOGETHER on these special days. This will be a one year trial as we continue to explore ways to make our worship services more meaningful, inspiring, and blended.

Palm Sunday worship at 9:00am will include children and adult choirs. We will also enjoy a catered fellowship breakfast following worship. Please be sure to join us!

Maundy Thursday and Good Friday worship services begin at 6:30pm this year.

EASTER SUNDAY we will all celebrate the Resurrection of our Lord together during ONE worship service at our usual 9:00am time. We are so looking forward to this service!

Holy Week and Easter Environment

Our new "Seasonal Decorating" Serve team is working hard to prepare enhancements to our worship experience during and after Holy Week and Easter that will include flowers, palms, new banners and more that will add beauty to our church and meaning to these church holidays. These enhancements will be made possible through gifts to Grace in memory or in honor of loved ones again this year. Thank you in advance to all who give gifts to help make our church more welcoming and vibrant.

Welcome New Members!

We were thrilled to welcome to Grace a great group of 35 new members in February! The group includes a variety of ages and includes many children! Please be sure to welcome and get to know our new members as you see them around Grace in the weeks and months ahead. Thanks be to God that we continue to be a growing, welcoming, and active congregation!

Stop by the Grace Library!

If you haven't had a chance to check out the "new" and improved Church Library, be sure to do so! Before or after worship on Sundays is a great time to stop by the Library to see the new furniture, fireplace, and, of course, check out some new books! Books for all ages and interests are available for you to check out and return. Thank you to all who have played a role in the library improvements!

Looking Ahead - Spring Semi-Annual Meeting is April 28

Our Spring semi-annual congregational meeting will be held following worship on April 28. Our Nominating Committee is already working to recruit people to serve and be on the ballot for various ministries and committees. Please prayerfully consider saying "yes" if one of our Nominating Committee volunteers contacts you. There are many great ways to be involved at Grace!

Thank you for your partnership in the ministry of Grace!

World Day of Prayer

will be observed at Grace Lutheran Church on March 1, 2024, at 10am

World Day of Prayer is a worldwide ecumenical, movement of Christian women of many traditions who come together to observe a common day of prayer the first Friday in March. Each year a different country serves as the writer of the WDP worship service, interpreting the Bible in their own context, and lifting up issues of mission, justice, and peace. This year that country is Palestine.

The theme is, "I beg you. ...bear with one another in love," based on Ephesians 4:1-7

Greetings! from Grace Missions In Action (MIA)

It is a bright and sunny day as I sit down to write this message. Was wondering how much you remember how things used to be. Do you remember when your sewing machine worked by using our feet on a pedal under the machine? It went forward and back sewing one kind of stitch—no fancy stitches. When the fabric we bought was 32 inches wide and made of cotton—no rayon or poly. When we used a cereal box and newspaper to make a pattern. Now we have templates of all sizes—my favorite is a 6-foot clear plastic. It is great to remember the “good old days” but now we have more accurate sewing with the equipment today. Grace quilters now have modern sewing machines and 46-inch width fabric in many colors and designs. With help from donations, we are able to make more quilts for Lutheran World Relief. March 16 is National Quilting Day. We will celebrate this on Sunday, March 17th. This event is to celebrate more than 75 years of comforting the world with quilts.

We are thankful for the many women who work both at home and at church. We will be meeting possibly four Thursdays in March—the 7th, 14th, 21st & maybe on the 28th. Please watch the announcements regarding Thursday, March 28th, as that is Maundy Thursday.

ASAP, God’s Blessings,
Mary Akkerman
